

Omni 3200

The Intelligent Choice for Today and Tomorrow

Omni 3200

Easy to Install, Easy to Use

- Large, readable backlit display with intuitive, ATM-like graphical interface
- Supports menu prompts with large type, graphics, and screen-addressable keys
- Simplifies training and reduces errors—clerks can virtually train themselves
- Requires just one electrical outlet, reducing the number of cables and connectors on your countertop
- Provides two telephone ports—saves you money by eliminating the need for a second line
- Can be customized for multi-language support

Intelligent and Reliable Performance

- Sleek, compact design requires less counter space
- Proven VeriFone durability and quality
- Reliable, high-speed thermal printer for faster, quieter transactions
- Durable LCD display and rubber keys stand up to the long-term wear-and-tear of the retail environment
- Protective paper cover virtually eliminates receipt jamming and withstands heavy usage at the countertop
- Supports all VeriFone PINpads, check readers, and smart card reader/writers

A Transaction Path to the Future

- Powerful SoftPay™, VeriFone's premier software payment application, supports your current and future requirements for credit, debit, check, EBT and loyalty applications
- SoftPay's intuitive and comprehensive reporting system improves and simplifies your money management
- Triple-track magnetic stripe reader processes almost any type of card, even drivers' licenses

The Omni 3200 features a large, easy-to-read display and an intuitive, ATM-like interface that simplifies training and dramatically reduces clerk errors
